

Wisconsin Carry, Inc is a non-profit organization dedicated to the preservation and reclamation of the basic rights critical to a free society. Our organization believes in the founding principles of our country and our constitution: That all are created equal, that governments exist to protect the rights of individuals, and that governments derive their power from the consent of the governed. The Second Amendment of our Federal constitution explicitly affirms one of the limitless numbers of rights we enjoy as human beings; the right to keep and bear arms. In 1998 74% of the voters in the great state of Wisconsin voted Article 1 Section 25 into our state constitution. "The people have the right to keep and bear arms for security, defense, hunting, recreation or any other lawful purpose". We believe that "Open-Carry" and "Conceal Carry" are choices to be made by law-abiding citizens based on what suits their needs best. Our mission is to preserve, advance and expand these basic rights which law-abiding citizens are entitled to have a practical ability to exercise.

Wisconsin Carry was incorporated in late fall of 2009. On January 8th, 2010 we filed a federal lawsuit challenging the constitutionality of Wisconsin's Gun-Free-School-Zone statute. We also brought 2 members who had been unlawfully harassed/arrested by police for legally open-carrying as co-plaintiffs. We have already been successful with a damage award judgment of \$10,000 against the City of Racine for their part of the lawsuit. The portion of the lawsuit challenging the constitutionality of the Gun-Free-School-Zone statute is still working its way through the litigation process. We also began a membership drive on that date and we are now the fastest growing gun-rights group in Wisconsin.

We are 100% volunteer. We are devoted exclusively to advancing the rights of law-abiding Wisconsin Citizens to carry. Currently "Open-Carry" is the only way Wisconsinites are legally allowed to carry. Thousands of our members do so, on a daily basis, in Wisconsin. We are also working to bring a conceal-carry to Wisconsin. Please join today and become a part of an action-based organization that will shape gun rights of law-abiding citizens for generations to come in Wisconsin.
